Dear Travelin' Coupons,

Thank you for all that you do for SYTA and the SYTA Youth Foundation! Your generous contribution helped to offset the travel costs to send deserving students on a trip of a lifetime through the SYTA Youth Foundation's Silver Lining and Next Generation Programs.

Silver Lining Program – In July 2017, 30 students from the Boys & Girls Club of the Tar River Region travelled from Rocky Mount, NC to the Nation's Capital to deepen their knowledge of US History. In Washington D.C., they learned the importance of being responsible model citizens while advocating for their communities and even met with their congressman. They even participated in the Foundation's renowned leadership training and connected on personal levels with the local Boys & Girls Club of Greater Washington D.C.. [Here's their way of saying THANK YOU for their travel experience made by your donation!](#) In 2018, SYF will be giving back to the communities that suffered from Hurricane Harvey, Hurricane Maria and the devastating wildfires of California!

Next Generation Program – In March 2017, 30 deserving students travelled from the Native American reservations of Albuquerque to sunny San Diego, CA. The program included a 3-day overnight camp experience at SeaWorld San Diego with leadership and team building lessons, followed by an excursion to Mission Bay, where they learned how to paddleboard for the first time! Their travel experience was so impactful that they were covered by the local news station! [Take a look at the impact your donation had on these deserving students!](#) This April, we will be taking deserving students from Boys and Girls Club of Greater Washington D.C. area, where they will be immersed into the world of conservation at SeaWorld Orlando and Busch Gardens Tampa.

Thank you for your continued support and dedication. We look forward to continuing our work together so that SYF can provide the maximum number of travel opportunities that will change young lives for good!

Sincerely,

Bruce Rickert
